PROFESSIONAL SUMMARY

Frontend Web Developer specializing in responsive interfaces, React, and TypeScript, with a proven track record of building robust design systems and optimizing web performance at PixelWave.

PROFESSIONAL EXPERIENCE

Frontend Developer 2022-Present
PixelWave · Lisbon, Portugal

- Building single-page web applications using React and TypeScript.
- Implementing robust component design systems utilizing Tailwind CSS, including an internal Design System using Storybook that cut design-to-production time by 30%.
- Optimizing client-side performance and Core Web Vitals to achieve a Google Lighthouse 95+ performance score.
- Integrating REST APIs to connect frontend interfaces with backend services.

EDUCATION

B.Sc. in Design and Multimedia September 2018 - July 2021
Universidade de Coimbra · Coimbra, Portugal · 16/20
