PROFESSIONAL SUMMARY

Cloud & DevOps Engineer and Tech Lead with 9+ years of professional experience building distributed systems, AWS cloud infrastructure, and backend microservices using Terraform, Go, and Python.

PROFESSIONAL EXPERIENCE

Staff Software Engineer / Tech Lead 2021-Present
CloudScale · Porto, Portugal

- Leading system architecture for event-driven backend services and API platforms.
- Re-architecting monolithic services into microservices using Go, Python, and Apache Kafka.
- Mentoring engineers on code quality and technical design.
- Managing AWS cloud infrastructure (EC2, S3, RDS, VPC, IAM) and containerized deployments using Docker, Kubernetes, and Terraform.

Senior Backend Engineer 2018-2020
FinTech Global · Porto, Portugal

- Developing REST and gRPC microservices in Go and Python.
- PostgreSQL database schema design and query optimization.
- Configuring and optimizing continuous integration and deployment pipelines (CI/CD) using GitLab CI.

Software Engineer 2015-2018
InnoTech Labs · Porto, Portugal

- Developed backend microservices and REST APIs using Python and Go.
- Assisted in Linux systems administration and shell scripting (Bash) for deployment automation.

EDUCATION

M.Sc. in Informatics and Computing Engineering 2010-2015
Faculdade de Engenharia da Universidade do Porto (FEUP) · Porto, Portugal · 17/20

SKILLS & COMPETENCIES

Languages & Scripting: Go, Python, SQL, Bash

Cloud & Infrastructure: AWS (EC2, S3, RDS, VPC, IAM), Terraform, Docker, Kubernetes (EKS)

CI/CD & Tools: GitLab CI, Git

Architecture & Systems: Microservices, Apache Kafka, RabbitMQ, PostgreSQL, Redis, CloudWatch

LANGUAGES

Portuguese: Native

English: C2 Proficient

PROJECTS

Infrastructure & Backend Repositories: Developed and maintained open-source and personal repositories showcasing cloud infrastructure automation using Terraform, AWS, and containerized microservices with Docker and Kubernetes.

I consent to the processing of my personal data for recruitment purposes, in accordance with the GDPR (Regulation (EU) 2016/679).
